

Lynden's EZ Commerce is an online shipping, billing and documentation system. EZ Commerce enables document generation, shipment tracking, scheduling shipments, delivery receipts and PDF invoices electronically, and it also provides a variety of downloadable shipment activity reports.

## 1 Shipment Information

Shippers can quickly search for their shipments, tracking information and more by using a reference number, date or by statement type.

## 2 Reporting

Customize your shipment reports with the reporting page.

## 3 Create a Shipment

Users can create a shipment and request a pick up with the create a shipment page.

## 4 Recently Viewed Shipments

EZ Commerce will automatically fill this section with your most recently viewed shipments to help you find what you are looking for faster.

## 5 Filter

Find your shipment information faster by filtering your search by Shipper, Consignee, Current Status, Lynden Company, or by All.

The screenshot displays the Lynden EZ Commerce web application interface. At the top, there are navigation tabs: 'Shipment Info', 'Reporting', 'Create a Shipment', and 'Help'. A 'Logout' link is in the top right corner. Below the navigation is a search area with three tabs: 'Ref. Search', 'Date Search', and 'Statements'. The 'Ref. Search' tab is active, showing input fields for a reference number (11/16/2016) and a date (11/23/2016), with a 'Search' button. A 'Filter' section below the search area includes dropdown menus for 'Shipper', 'Consignee', 'Current Status', and 'Lynden Company', all set to 'All', and an 'Apply Filters' button. The main content area displays a list of shipments with details such as Lynden No., Consignee, Pieces, Weight, Org, and Dst. A sidebar on the right, titled 'Recently Viewed Shipments', shows a 'Last Week' section with three shipment entries, each including Lynden No., shipper, consignee, and a 'Viewed on' timestamp.

*EZ Commerce provides at-a-glance shipment information including the shipment reference number, consignee, number of pieces, weight, origin and destination.*

### New! Email Alerts for Shipments

Tracking your shipment now gets easier! Receive automatic email notifications when your shipment departs origin, arrives at destination, and is delivered. Learn more about this new feature at [www.lynden.com/updates](http://www.lynden.com/updates).
