

LCL Ocean Service:
Connecting the U.S. and Puerto Rico

The U.S. to Puerto Rico

Lynden Logistics now offers Jacksonville and Pennsauken-based LCL consolidation and loading services.

Service Features

- Jacksonville and Pennsauken consolidation and warehouse services for freight going to Puerto Rico
- Extended cutoff times and late arrival processing (late arrivals are accepted on a case by case basis)
- Opportunity for additional time and money savings using Lynden's Atlanta container freight station
- Puerto Rico consolidation and warehouse services for local deliveries and distributions
- Dynamic Routing - Lynden can change service modes from ocean to air, up to the container cutoff time to steamship lines
- Full service FCL and LCL operation
