24 July 1973

RECEIVED
JUL 25 1973
A. F. S.

L. E. Glosten & Associates, Inc.
Attn: Mr. D. H. Laible
71 Columbia Street
Seattle, Washington 98104

Gentlemen:

Subj: Kaiser Halls 628 & 629
286' x 76' x 17', Barge
Deck Cargo/Containers, Ocean Service
Foss Launch & Tug Co.
Stability

Ref: (a) Glosten telegram to COGD12(mnt) dated 2 July 1973
(b) Glosten letter to COGD12(mnt) dated 2 July 1973
File: 7343

The stability of subject vessel is considered adequate for a freeboard assignment of not less than 5' 5" providing the following restrictions are met:

1. Not more than one pair of ballast tanks contains liquids.
2. Containers are not stacked higher than:

<u>Deepest Allowable Draft</u>	<u>Clearance VOB</u>
12'	25 ft.
12' 6"	29 ft.
13'	16 ft.
13' 6"	12 ft.
14' 6"	8 ft.

The information contained in this letter supersedes that contained in our letter of 6 July 1973, File: 5940/KAISER 628-629.

Sincerely,

WILLIAM W. SPENCE
Commander, U.S. Coast Guard
Chief, Merchant Marine Technical Branch
