RE: Notice of Decrease in Fuel Surcharge

Dear Valued Customer:

Alaska Marine Lines has filed with the Surface Transportation Board to decrease the fuel surcharge from 27.0% to 24.0% on shipments to, from, and within Central Alaska and Prince William Sound locations. This decrease becomes effective on January 31, 2016.

We continue to monitor fuel prices on a daily basis and will adjust the fuel surcharge when necessary.

We appreciate your business and your understanding with regard to fluctuating fuel costs.

Sincerely,

Dave Curtis, Vice President - Pricing
