## **Notice of Late Arrival – Voyage N6311 & N6312**

To all shippers, consignees, and valued customers:

Due to tug boat mechanical issues, the mainline Southeast Alaska barges from Seattle will be delayed this next week. Both voyage N6311 and N6312 are expected to run approximately 12-16 hours behind what we would consider normal arrival times in Southeast.

Please contact our customer service department or your sales representative with specific questions or concerns. We recognize the inconvenience this may create, and appreciate your patience and continued support.

Sincerely,

**Jake Maenpa, Director of Sales**
