## **Notice of Decrease in Fuel Surcharge**

Dear Valued Customers:

Alaska Marine Lines has filed with the Surface Transportation Board to decrease the fuel surcharge from 24.0% to 22.0% on shipments to, from and between points in the Dutch Harbor, Aleutian Islands and Kodiak areas as described in tariff STB AKMR 315. This decrease becomes effective on March 20, 2016. This change does not affect rates or fuel surcharge in Bethel, Dillingham, Naknek, Nome, Kotzebue, and villages serviced through those ports.

We continue to monitor fuel prices on a daily basis and will adjust the fuel surcharge when necessary.

We appreciate your business and your understanding with regard to fluctuating fuel prices.

Sincerely,

**Dave Curtis, Vice President - Pricing**
