## **Rate Increase Notification**

### **Southeast Alaska**

Dear Valued AML Customers,

Alaska Marine Lines has filed with the Surface Transportation Board for general rate increases on shipments to, from and within Southeast Alaska and including Yukon, Canada. In general the increase is 4.5%. Some types of cargoes are increased at different levels than others. These changes are effective beginning with January 29, 2017.

If you have questions about how these increases will apply for your business, please contact your Account Representative.

Thank you for your continued support.

Sincerely,

**Dave Curtis, Vice President - Pricing**
