Notice of Late Arrival - Voyage 6483

To all shippers, consignees, and valued customers:

Due to severe weather in the Gulf of Alaska, Central Alaska Voyage 6483, which departed Seattle on November 22nd, has been delayed. Current estimated arrival into Whittier is Tuesday, December 6th, with earliest cargo availability in Anchorage of December 8th. Because of the volatility of the weather conditions, this is subject to change. We will advise you of any developments with an additional notice.

Please contact our customer service department or your sales representative with specific questions or concerns. We recognize the inconvenience this may create, and appreciate your patience and continued support as we deal with these winter weather issues.

Sincerely,

Jake Maenpa
