Notice of Increase in Fuel Surcharge

Dear Valued Customers:

Alaska Marine Lines has filed with the Surface Transportation Board to increase the fuel surcharge from 17.5% to 19.5% on shipments to, from and between points in Central Alaska including Anchorage, Fairbanks, Whittier and other railbelt destinations as described in tariff STB AKMR 314B. The corresponding increase in historical fuel surcharge applying to contracts in place prior to April 24, 2016 is from 29.14% to 31.34%. This increase becomes effective on April 2, 2017.

We continue to monitor fuel prices on a daily basis and will adjust the fuel surcharge when necessary.

We appreciate your business and your understanding with regard to fluctuating fuel prices.

Sincerely,

Dave Curtis, Vice President - Pricing
