Dear Valued Customers:

Alaska Marine Lines has filed with the Surface Transportation Board to increase the fuel surcharge from 10.5% to 14.0% on shipments to and from Cordova and Valdez. The corresponding increase in historical fuel surcharge applying to contracts in place prior to April 25, 2016 is from 22.66% to 26.54%. This increase becomes effective on November 26, 2017.

We continue to monitor fuel prices on a daily basis and will adjust the fuel surcharge when necessary.

We appreciate your business and your understanding with regard to fluctuating fuel prices.

Sincerely,
