## **RE: Notice of Increase in Fuel Surcharge**

Dear Valued Customer:

Alaska Marine Lines has filed with the Surface Transportation Board to increase the fuel surcharge from 7.5% to 9.5% on shipments to, from, and within Southeast Alaska. This increase becomes effective on November 26, 2017.

We continue to monitor fuel prices on a daily basis and will adjust the fuel surcharge when necessary.

We appreciate your business and your understanding with regard to fluctuating fuel costs.

Sincerely,

**Dave Curtis, Vice President - Pricing**
