Cut-off time change for Central Alaska barge service

Dear Valued Customer,

In an effort to improve transit time between Seattle and Central Alaska and avoid conflicts with cruise ship schedules this summer, AML is changing our cut-off time for deliveries to Terminal 115 in Seattle. **Effective April 16 with sailing C8174, our full container (SLC) cargo cut-off time for Tuesday sailings will be 8:00pm Monday evening. The break bulk cargo cut-off will be 12:00pm Monday.**

Outside of weather delays, the new schedule will allow us to have cargo available for delivery in Anchorage on Wednesday and Fairbanks on Friday. You may view our current sailing schedules [here](#).

We continually strive to improve our services and hope this is a positive change for our customers. If you have any questions please contact your sales representative or our customer service department and we would be happy to help. Thank you for your continued support.

Sincerely,

Alaska Marine Lines
