## **AML Notification of General Rate Increase Central Alaska**

Dear Valued Customer,

Alaska Marine Lines has filed with the Surface Transportation Board for a 4.75% General Rate Increase on shipments to, from and between Central Alaska and Prince William Sound locations including Anchorage, Fairbanks, Whittier, Valdez and Cordova. This increase will become effective on December 16, 2018.

Due to the nationwide driver shortage impacting driver availability and rates, we have adjusted our full load trucking rates separately to reflect the change in market conditions.

We appreciate your continued support as we endeavor to provide the greatest value of service in Alaska transportation.
