## **Rate Increase Notification**

### **Dutch Harbor, Aleutian Islands & Kodiak**

Dear Valued AML Customers,

Alaska Marine Lines has filed with the Surface Transportation Board a 4.75% general rate increase on shipments to, from and within Aleutian Island points as named in tariff STB AKMR 315, series, including Dutch Harbor and associated villages. This increase will become effective on January 1, 2019.

Due to the nationwide driver shortage impacting driver availability and rates, we have adjusted our full load trucking rates separately to reflect the change in market conditions.

If you have questions about how these increases are applied for your business, please contact your Account Representative.

Thank you for your continued support.

Sincerely,

**Dave Curtis, Vice President - Pricing**  
**Alaska Marine Lines**
