RE: Notice of Decrease in Fuel Surcharge

Dear Valued Customer:

Alaska Marine Lines has filed with the Surface Transportation Board to decrease the fuel surcharge from 12.5% to 9.5% on shipments to, from, and within Southeast Alaska. This decrease becomes effective on December 2, 2018.

We continue to monitor fuel prices on a daily basis and will adjust the fuel surcharge when necessary.

We appreciate your business and your understanding with regard to fluctuating fuel costs.

Sincerely,

Dave Curtis, Vice President - Pricing
