

March 3, 2020

Dear Valued Customer,

Due to the cold winter, we are anticipating a late season ice breakup in Western Alaska. Therefore, we have decided to move our first voyage W0001 back one week to avoid shipment delays and damage to equipment. Current sailing schedules are available on our website.

New schedule dates for Voyage W0001:

- Deadline in Seattle to receive cargo will be March 16, 2020
- Departure from Seattle will be March 20, 2020

If you have any questions or need assistance please contact your sales representative or our customer service department and we would be happy to help.

Sincerely,

Alaska Marine Lines
