Notice of Late Arrival - Voyage S1091N

Dear Valued Customer,

Due to severe weather, Southeast Alaska Voyage S1091, which departed Seattle on Wednesday, February 24, has been delayed. Current estimated arrival into Ketchikan is Sunday morning, February 28, with earliest cargo availability Monday. We anticipate arrival into other Southeast ports to be delayed about 24 hours. Because of the volatility of the weather conditions, this is subject to change. We will advise you of any developments with an additional notice.

Please contact your sales representative or our customer service department with specific questions or concerns. We recognize the inconvenience this may create, and appreciate your patience and continued support as we deal with these weather issues.

Sincerely,

Alaska Marine Lines
