## Notice of Late Arrival - Voyage 6017

To all shippers, consignees, and valued customers:

This is to notify all concerned parties of an unexpected delay in the arrival of our barge Hawaii Trader - Voyage 6017, due to several strong weather systems en route. At present, a conservative estimate is that we'll arrive about 4 days later than scheduled. We anticipate the first day of cargo availability will be Thursday, January 21, 2016.

Our arrival date may change over the next few days, so if you are dealing with a timing issue for cargo availability, please stay in contact with our Honolulu office at (808) 536-7033 for the latest updates. We'll also try to keep everyone apprised of further changes with an additional notice.

If you have specific requirements or exceptional circumstances which may need to be addressed as a result of this delay, please contact the appropriate Customer Service Center or sales representative. Any information to help us deal with your particular situation will be appreciated.

We recognize the inconvenience this may create, and we really appreciate your patience and continued support.

Yours very truly,

**Bret Harper**
