**WHARFAGE CHARGE AND  
FACILITIES SECURITY CHARGE INCREASE**

The State of Hawaii Department of Transportation, Harbors Division, is implementing a wharfage fee increase of 15.0% effective October 1, 2017.

In general, the change will result in increases of approximately \$15.00 - \$31.00 per container on domestic Honolulu freight and \$33.00 - \$66.00 on domestic Neighbor Island freight. Wharfage rates for breakbulk cargo will be adjusted by the percentage amount of the increase stated above.

The Facilities Security Charge will increase from \$15.00 to \$17.25 per container or load for Oahu and from \$22.50 to \$25.87 per container or load for Neighbor Island shipments, effective on October 1, 2017.

Aloha Marine Lines appreciates your understanding as we pass through these government fee increases as a separate line item on your invoice. If you have questions about the application of State of Hawaii wharfage and security charges, please contact your sales representative. We appreciate your business and thank you for your continued support.

Sincerely,

**Dave Curtis, Vice President - Pricing**
