Additional Delay – Voyage H7037

To all shippers, consignees, and valued customers:

Due to severe weather and now a mechanical issue, Hawaii voyage H7037 has been further delayed. Current estimated date of arrival in Honolulu is late Friday, February 3, with earliest cargo availability of Monday, February 6. Because of the volatility of the weather conditions, this is subject to change; we will advise you of any developments with an additional notice.

Please contact our customer service department or your sales representative with specific questions or concerns. Our Honolulu office (808) 536-7033 will also be able to supply the latest updates. We recognize the inconvenience this may create, and appreciate your patience and continued support as we deal with these weather issues.

Sincerely,

Aloha Marine Lines
