AML Notification of General Rate Increase

Aloha Marine Lines will apply a general rate increase on shipments to and from Hawaii Locations. The rates will increase by \$198.00 per Westbound container and \$97.00 per Eastbound container. The rates for break-bulk will increase by an average of 5%. Some accessorial charges will also be adjusted. There will be no adjustment to the terminal handling fee. These increases will take effect on January 6, 2019.

Due to the nationwide driver shortage impacting driver availability and rates, we have adjusted our full load trucking rates separately to reflect the change in market conditions.

We appreciate your continued support as we endeavor to provide the greatest value of service in Hawaii transportation.

Sincerely,

Dave Curtis, Vice President
