RULES

(Supersedes Item 343 in AKMR 100, series)

APPLICATION OF BEYOND TERMINAL CHARGES, HEAVY, BULKY OR LONG FREIGHT:

343

(A) Application of Beyond Terminal Charges

(1) Overweight:

Arbitrary charges named in this Item apply only on single pieces or packages weighing less than 50,000 pounds each. Single pieces or packages weighing 50,000 pounds or more will take a surcharge of 25% (based on the applicable arbitrary listed in Items 340 and 342), to cover cost of handling heavy pieces. Applicable northbound and southbound.

(2) Overlength:

Arbitrary charges named in this item apply on containers or lading which do not exceed 48' in overall length. Containers or lading exceeding 48' overall length shall take the following surcharges in addition to all other charges. (Does not apply to carrier provided 53' closed containers.)

OVERALL LENGTH OF CONTAINERS OR LADING		APPLICABLE ARBITRARY SURCHARGE
EXCEEDING	BUT NOT EXCEEDING	
48'	50' 6"	20%
50' 6"	60' 6"	40%
60' 6"	60%

(3) Overwidth:

Arbitrary charges named in this item apply on containers or lading which do not exceed 10' in overall width. Containers or lading (to include accompanying bracing, dunnage or securing equipment) which exceed 10' in overall width will take the following surcharge in addition to all other charges.

OVERALL WIDTH OF CONTAINERS OR LADING		APPLICABLE ARBITRARY SURCHARGE
EXCEEDING	BUT NOT EXCEEDING	
10'	12'	20%
12'	14'	40%
14'	16'	60%
16'	100%

NOTE 1. Calculation of Arbitrary Charges:

In order to calculate applicable arbitrary overdimension charges, first determine the base arbitrary in Item 340 or 342. Each overdimension arbitrary surcharge in this Item (343) will be calculated separately with the arbitrary as a base except that if a shipment is subject to both overlength and overwidth surcharge, only that surcharge creating the greater charge will apply.

EXCEPTION 1: The charges set forth in this item apply only on shipments moving on or in containers and not requiring transportation services beyond that customarily provided such containers. Shipments transported other than by containers shall be transported at the rates listed in Items 340, 342 and 343 only upon approval by the carrier.
