## Notice of Additional Delay – Voyage H4117

Dear Valued Customer,

We emailed yesterday to notify you of a weather delay for Voyage H4117. Unfortunately, the voyage has been further delayed by mechanical issues. Mechanics are working now to ensure the tug and barge will be able to safely make the voyage between Seattle and Hawaii, but we expect it will add at least an additional day to the delay. We now have the estimated date of arrival into Kalaeloa Barbers Point Harbor as **Wednesday, March 27th**.

We appreciate your understanding and apologize for the inconvenience. Please contact your sales representative or our customer service department with any questions or concerns.

Sincerely,

AML
