Dear Valued Customer,

Lynden International is excited to announce that we are changing our name to Lynden Logistics, Inc. ("Lynden Logistics"). Our new name will be effective as of September 20, 2021.

Since our inception in 1977, Lynden International has evolved from a pure air freight forwarder to a full service solutions provider of logistical services that support the entire supply chain. Today, the name Lynden Logistics more accurately reflects the full range of capabilities and services we provide our customers. It also represents our ongoing commitment to investing in underlying technologies that help customers manage and streamline their transportation and logistics processes. As examples, our customizable EZ Commerce shipping portal, mobile app providing real-time shipment updates, barcode scanning processes, Electronic Data Interchange (EDI) interface with customers, and other specialized technology platforms all contribute to our overall logistics service offering.

As Lynden Logistics, we also believe our solutions-based offerings into the offshore markets of Alaska, Hawaii, and Puerto Rico, as well as internationally and within North America, are best in class. We actively look for opportunities to customize these solutions to fit our customers' needs.

Please note that our transition to Lynden Logistics is not related to any change in company ownership, management, structure, or resources, and no changes to our existing contracts are required. We will be the same company – just with a new name. Our full service capacity remains intact, and our focus on providing customers the highest value service and solutions is greater than ever. We continue to be part of, and leverage the full capabilities of, the Lynden family of companies.

Finally, as part of this notification we respectfully request that you update your internal database(s), where necessary, to accurately reflect our new name.

If you have any questions, concerns, or would like to reach out to us for any reason, we invite you to contact your Lynden Account Executive or local service center.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Kaloper', with a long horizontal flourish extending to the right.

John Kaloper, President
Lynden Logistics, Inc.
