

5410 - 12th Street East, Fife, WA 98424

Delivering Driver Information

Call 800-326-5702 for delivery appointment request for temperature controlled freight only.

Fife Terminal-Hours of Operation Monday-Friday 7:30 a.m. – 8 p.m.
After hours appointments available. Please ask when you call in.

When you call, please have the following information ready:

- A) Truck # and company
- B) Driver Name
- C) Pre-shipment Entry (PSE #), example: CLF05, CLB45
- D) Final Destination of Load, example: Anchorage, Fairbanks, etc
- E) PO# , load# or pro# that may apply
- F) Flatbed or van freight.

Flatbed loading requirements

Shipper must build flatbed load as an even pick with 4 x 4 dunnage on bottom with no steel resting on steel, gaps or voids in load. Dunnage or blocking must be used.

Dunnage must measure as wide as it is tall

Minimum number of stickers per tier:

- a. 28' / 4 stickers
- b. 40' / 5 stickers
- c. 45' / 6 stickers
- d. 48' / 6 stickers
- e. 53' / 7 stickers

Please call for specific tie down information if you have any question.

Flatbed shipments to be routed via the ARM- BARGE service cannot include items or packages (pallets, boxes, crates, etc.) that cannot be properly secured for safe transit. If such items are determined that safe securement is not possible, these items will be transported separated from the tendered shipment at an additional charge.
