NOTES:

- Hazardous materials not compatible with ferry transportation due to U.S. Coast Guard regulations will travel on AML barge.**
- Some shipments require transfer between highway and barge service levels.**
- Bulky and/or heavy shipments which start out on LTI may be delayed in transit at transfer point, see next dispatch date at transfer point for arrival/availability at destination.**
- All barge arrivals and departures are estimated times.**
- Freight from Central, which is transferred at Juneau, will move on first available dispatch.**
- Schedule subject to variations due to ferry scheduling or cancellations. For departures from Anchorage on: 2/16, 3/16, 4/13 freight will arrive in Haines and Juneau 1 day later than scheduled above.**
- Freight may be delayed due to backlogs. Be aware of current shipping volumes when giving customers departure & arrival information.**

EFFECTIVE JANUARY 10 - APRIL 30, 2010
