NOTES:

1. Hazardous materials not compatible with ferry transportation due to U.S. Coast Guard regulations will travel on AML barge.
2. Some shipments require transfer between highway and barge service levels.
3. Bulky and/or heavy shipments which start out on LTI may be delayed in transit at transfer point, see next dispatch date at transfer point for arrival/availability at destination.
4. All barge arrivals and departures are estimated times.
5. Freight from Central, which is transferred at Haines, Juneau or Ketchikan, will move on first available dispatch.
6. Schedule subject to variations due to ferry scheduling or cancellations.
7. Freight may be delayed due to backlogs. Be aware of current shipping volumes when giving customers departure & arrival information.
