## Upcoming Weight Restrictions for Central Alaska

Dear Valued Customer,

As a reminder to container load shippers, primarily, the Alaska Department of Transportation has released upcoming road restrictions, **effective Monday, March 29**.

Allowable gross weight is subject to state mandated road restrictions during this time. We recommend checking the [Alaska DOT website](#) for future updates. Please coordinate with your Alaska Marine Lines representative to ensure a plan is in place to meet your transportation needs.

If you have any questions please contact your sales representative or our customer service department. Thank you for your continued support.

Sincerely,

AML
