Notice of Late Arrival - Voyage S1451

Dear Valued Customer,

Due to an unexpected closure of the Spokane St. Bridge in Seattle, our barge is unable to pass through the waterway and Southeast Alaska Voyage S1451 will be delayed. Current estimates indicate that the barge will be able to depart this evening and arrive into Southeast ports delayed by about 24 hours. We will advise you of any developments with an additional notice.

We know you rely on dependable scheduled service and we appreciate your patience while we work with the Department of Transportation to expedite the re-opening of the Spokane St. Bridge. Please contact your sales representative or our customer service department with specific questions or concerns.

Sincerely,

AML
