RULES and REGULATIONS:

RULE NO.:

APPLICATION OF RATES - GENERAL:

160

In conjunction with STB AKMR 100, series, Governing Rules tariff, the following conditions will apply.

- A. Except as otherwise provided, this Tariff applies to the transportation of General Commodities in TL and Volume Quantities over the lines of Carrier which are parties hereto.
- B. All transportation charges on a shipment will be assessed on the basis of the published Tariff provisions lawfully in effect at the time of departure.
- C. Individual container-loads, or lot of cargo, which are a part of a volume shipment received on more than one day, as authorized in STB AKMR 100, series, Rule 365 (Definition - Shipment), shall be governed by the following:
 - 1. Each container load, or part lot shipment, must be accompanied by a Bill of Lading or shipping order to identify it as a part lot of a volume shipment;
 - 2. Total freight charges for the shipment will be rates in effect for the voyage on which the first part lot is received, unless otherwise agreed upon between Carrier and Shipper.
- D. Tender, as used in this Rule, is defined as the act of the Carrier, or its agent, of physically removing loaded container/flattrack from shipper's facilities, or as the delivery of cargo at Carrier's terminal by shipper or parties other than Carrier or Carrier's agent.
- E. Except as specifically indicated in individual rate items, rates designated as straight containerload or straight platform load commodity rates are in dollars per container or platform as a flat charge, or in dollars and cents per one hundred pounds.
 - 1. Rates are subject to accessorial charges as specified in STB AKMR 100, series, and STB AKMR 250A unless otherwise specified.

5615 W. MARGINAL WAY S.W., SEATTLE, WA 98106

ALASKA MARINE LINES, INC.SECTION 1
RULES and REGULATIONS:RULE
NO.:**APPLICATION OF RATES - HAWAIIAN NEIGHBOR ISLANDS:**

175

Rates in the Neighbor Island column on the individual rate items are the arbitrary charges for cargo moving to or from the Hawaiian Neighbor Island Ports of Call. Rates apply from Honolulu and are in addition to the base Honolulu charge.

A. I. APPLICABLE to CARGO in CLOSED CONTAINERS:

When cargo ships in closed containers under the provisions of this Tariff, the applicable ocean rate will apply plus the following arbitrary for shipments moving to the Neighbor Islands:

20 Foot Container(s) \$ 1050.00
40 Foot Container(s) \$ 1750.00

Shipments moving in or on 24' or 53' equipment to the Neighbor Islands will require a special quote for the Neighbor Island arbitrary.

II. APPLICABLE to CARGO on SHIPPING PLATFORMS:

An arbitrary per carrier-supplied shipping platform will be assessed as indicated above for containers. When length of cargo exceeds 4'6" greater than the length of the platform on which it is loaded, the platform will be subject to an additional charge of \$5.08 per weight ton (2,000 pounds) or per measurement ton (40 cubic feet), for each ten feet or fraction thereof in excess of 24'6" and 44'6", whichever creates the greater charge.

III. APPLICABLE to CARGO OTHER THAN CONTAINER or PLATFORM SHIPMENTS:

Breakbulk shipments are subject to prior approval and booking by the Carrier. Arbitrary rates are named in the individual rate items.

B. INTER-TERMINAL TRANSFER:
(Applies only when specifically referenced)

Inter-terminal transfer conditions and charges will be applied at the Carrier's discretion and as circumstances and cargo configuration require:

1. Rates, named herein and making reference hereto, on single pieces of over-dimensional (i.e., over 50' long or 9' wide or 9'6" high) or unusually heavy cargo (i.e., 50,000 pounds or more) destined to Outer-Island locations, will not include transfer between Carrier's Honolulu Terminal and connecting carrier's Honolulu terminal, nor the cost to shift a barge between terminals. If Carrier arranges such inter-terminal barge shift, the provisions of STB AKMR 100, series, Rule 300 apply.
2. Inter-terminal charges for over-dimensional loads will be assessed based on the length, width, height and weight criteria stated above. A special quote must be obtained for these charges.

Single pieces or loads of cargo that are higher or heavier than certain upper limits, and which are consigned to Neighbor Islands beyond Oahu, may require on-carriage by use of specialized trailers that will be required to convert the loads into Roll-On / Roll-Off shipments for handling by the inter-island barge carrier. This applies only to units that are not wheeled, tracked, or on trailers and not capable of being driven or towed onto a barge. This typically applies to particularly heavy items or those exceeding 11'6" overall width. In those cases, it will be the responsibility of the shipper to make arrangements for, and to pay for the use of the trailers in transit.
