Certificate of Inspection

Vessel Name: GRETA

When vessel is operated in the Atlantic Ocean north of 32 degrees N or south of 32 degrees S, or in any other waters north of 35 degrees N or south of 35 degrees S, 12 immersion suits shall be provided.

All watertight doors in subdivision bulkheads shall be kept closed at all times when the vessel is underway except when the door is operated momentarily by personnel to move between compartments.

The bow door is to be closed and secured with turnbuckles or pins at all times while the vessel is underway.

When the vessel is operating as a towing vessel, the person on navigation watch, Master or Mate, must hold a towing endorsement.

Notice of casualty in accordance with 46 CFR 4.05 shall be made for any accidental stranding or grounding and for any intentional grounding that causes, or is suspected of having caused damage affecting the seaworthiness of the vessel.

Authorized to carry hazardous materials in packaged form on open deck in accordance with 49 CFR 171 through 179. The hazardous materials table (49 CFR 172.101) must be consulted to determine if shipment by water is permissible and specific requirements are satisfied. Part 176 must be consulted to determine special operating conditions. Fill/discharge of portable tanks containing flammable or combustible liquid cargoes is prohibited when tanks are aboard vessel.

When transferring fuel oil or combustible liquids, a certificated tankerman, licensed engineer, or licensed deck officer shall serve as the designated person in charge.

Vessel's deck cargo limited in accordance with current stability letter.
