AML T115 New Receiving Office

Dear Valued Customer,

We would like to inform you that we are restructuring our Seattle T115 location, which receives shipments destined to Central Alaska, Western Alaska and Hawaii. Starting Monday, December 20, 2021, the Seattle T115 AML breakbulk and warehouse receiving offices will combine into a single new office. This move is part of our effort to increase yard capacity in Seattle.

Our previous T115 gate entrance, accessed via SW Front St., will be closed to all truck traffic going forward.

The new entrance at 6110 W. Marginal Way S, Seattle, WA 98106 will begin receiving all vehicle and truck traffic. Directions and delivery instructions have been updated on our website, and additional yard instructions are provided below.

Yard instructions:

After entering the yard at 6110 W. Marginal Way S, veer right (head south within the yard) and follow the fence line where there will be signs directing drivers to the scales & new truck lanes. Trucks are to stop in the new lanes and check-in at the new receiving office (light green building with service windows).

Please share with your drivers or teams as necessary. Thank you for your patience as we work through this transition. Current sailing schedules are available on our website. If you have any questions or need assistance please contact your sales representative or our customer service department and we would be happy to help.

Sincerely,

AML
