Road Closures Causing Delays

Dear Valued Customer,

Due to recent weather, there are many road closures throughout Washington and Oregon. This is delaying pickups in Eastern Washington and Oregon. We are continuing to evaluate our options to ensure shipments move out as scheduled, but there may be some delays. Below are the current highway closures in these areas.

- I-90 is expected to be closed until at least Friday, Jan. 7, or Saturday, Jan. 8
- Hwy 12 is expected to be closed until at least Friday, Jan. 7, or Saturday, Jan. 8
- Hwy 2 is expected to be closed until at least Friday, Jan. 7, or Saturday, Jan. 8
- I-84 (Oregon) is closed with an undefined reopening due to landslides/avalanches

Please visit the [Washington State DOT](#) and [Oregon DOT](#) for more up-to-date information on road closures in these areas.

Thank you for your patience as we work through these delays and work to get back to our regular schedule. If you have any questions or need assistance please contact your sales representative or our customer service department and we would be happy to help.

Sincerely,

AML
