## **Rail Service Resuming - Voyage C3034N**

Dear Valued Customer,

The AKRR has successfully reopened the tracks that were shut down as a result of an avalanche earlier this week. AML rail service for Voyage C3034N and cargo for Central Alaska is resuming. Northbound cargo will become available in Anchorage starting Monday and into Tuesday.

We appreciate your patience as we return to normal operations. Please contact your sales representative or our customer service department with any questions or concerns.

Sincerely,

Alaska Marine Lines
