

September 24, 2023

Dear Valued Customer,

Due to mechanical issues, our Southeast Alaska barge (Voyage S3392) is currently delayed. We anticipate freight on this voyage will be available about 48 hours later than normal.

We appreciate your understanding and apologize for the inconvenience. We will provide additional email updates if there are any changes to this situation. Please contact your sales representative or our customer service department with any further questions or concerns.

Sincerely,

AML
