Rate Increase Notification Hawaii

Aloha Marine Lines has filed a general rate increase with the Surface Transportation Board on shipments to and from Hawaii points as named in tariff STB AKMR 250, series. Rates will increase by \$250.00 per Westbound container and \$125.00 per Eastbound container; breakbulk rates will increase by an average of 6.5%. Terminal handling charges will be increased by \$150.00 per container Westbound and \$90.00 per container Eastbound. Some accessorial charges will also be adjusted. This increase will become effective on January 1, 2024.

Local trucking and other accessorial charges in STB AKMR tariff 100, series, will be adjusted on December 10, 2022. These increases are necessary in order to keep pace with rising costs, inflation and to continue to provide the consistent and reliable level of service that our customers rely on.

We appreciate your continued support as we endeavor to provide the greatest value of service in Hawaii transportation.

Sincerely,

Margretta Grace, Director of Pricing
