▲ INCREASE IN RATES AND CHARGES

Rates and charges in the Tariff are increased as provided in this Supplement.
All provisions of this Supplement expire with January 31, 2025 unless earlier cancelled, changed or amended.
Form of publication authorized under 49 CFR 1312.17(j).

For explanation of abbreviations and reference marks, see the last page of this tariff.

SPECIAL SUPPLEMENT

Except as otherwise specifically provided, rates and charges in this Tariff are hereby increased as follows (See Notes 1 through 4):

NOTE 1: SECTION ONE FREIGHT RATES ARE INCREASED AS FOLLOWS:

All rates and charges are increased five and nine hundredths (5.9%) percent. To arrive at such increased rate or charge, multiply the rate or charge by 1.059. Fractions of less than 1/2 cent will be dropped. Fractions of 1/2 cent or more will be increased to the next whole cent. For rates in dollars, fractions less than .50 will be dropped and fractions of .50 or more will be rounded to the next whole dollar

NOTE 2: Where the rate or charge is published in dollars and cents, apply the equivalent in cents.

NOTE 3: References to Tariff, Items, Notes, Rules, etc. will be as follows:

Where reference is made in this supplement to Tariff, Items, Notes, Rules, etc., it is understood that such reference is continuous and includes Supplements to or successive issues of such Tariff, Items, Notes, Rules, etc.

NOTE 4: Increases do not apply to charges in STB AKMR 100, series, whether referenced directly or referenced as a governing publication.

For explanation of abbreviations and reference marks, see the last page of this tariff.

FREIGHT TARIFF 305A

RULES

GOVERNING PUBLICATIONS:

RULE 100

Except as otherwise provided herein, this Tariff is governed by the following publications, including Supplements thereto or subsequent reissues thereof:

- A. National Motor Freight Classification, NMF 100 Series, Issuing Agent.
- B. Alaska Marine Lines, Inc., General Rules, Commodity Group Descriptions and list of Participating Carriers, Tariff No. 100, Series STB AKMR 100.

EFFECTIVE: January 29, 2023

APPLICATION OF RATES:

RULE 160

Except as otherwise specified in this tariff and in conjunction with tariff STB AKMR 100, series, Rules 160 and 750, rates apply as below. "Door" is defined as a commercial business or jobsite location within the defined delivery/pick up area. Rates do not include delivery to or pick up from residential locations in Alaska, except as defined below in NOTE 1.

Upon request, pick up or delivery service to residential locations may be arranged for an additional charge with Carrier or Carrier's agent.

Direction	Type	Origin	Destination
Northbound	LCL	Dock	Door
	CL	Dock	Door
Southbound	LCL	Door	Dock
	CL	Door	Dock
Interport	LCL	Dock	Door
	CL	Dock	Door

NOTE 1. EXCEPTION: A jobsite is defined as a commercial business or residential location with unrestricted access accepting construction or building materials as described in tariff STB AKMR 100, series, Item 1008, except where specialized or additional equipment, labor, permits and/or time as identified by the driver, dispatcher or service center manager is required. Such conditions include, but are not limited to, steep or curved driveways, unimproved roads, low overhangs (e.g., cables, tree branches, awnings, or building extensions), unstable ground, or any unsafe or hazardous conditions; additionally, consignee must have the ability to load or unload the cargo with no assistance from driver beyond standard liftgate usage. In the event the driver is detained longer than twenty (20) minutes, additional delivery or pick up related charges may apply. If the consignee requests that the driver leave Carrier's container or platform equipment at Consignee's location and return later to pick it up, additional charges will apply including trucking and/or equipment detention charges.

EFFECTIVE: January 29, 2023

For explanation of abbreviations and reference marks, see the last page of this tariff.

RULES

MINIMUM CHARGE PER SHIPMENT - LCL:

RULE 610

The minimum charge per shipment shall be \$108.00 per Bill of Lading.

EFFECTIVE: January 29, 2023

► PROTECTIVE SERVICE (KEEP FROM FREEZING SERVICE):

RULE 810

- A. If carrier is requested to assume risks of loss due to frost or freezing, the bill of lading must request, in writing, such service. Charges, as specified in Paragraph (B), of this Item, will be applicable in addition to all other rates/charges in this tariff. This service is only available between November 1 and March 31.

When freight not requiring protection from freezing (KFF) is mixed in the same container with freight requiring protection from freezing (KFF), all freight in that container will be charged as shown in Paragraph (B).

- B. CHARGES FOR KEEP FROM FREEZING SERVICE (KFF):

SHIPMENT DESCRIPTION:	CHARGES:
LCL per CWT (1).....	▲ \$4.05
Per 20' Container.....	▲ \$257.00
Per 24' Container.....	▲ \$310.00
Per 40' Container.....	▲ \$366.00
Per 53' Container.....	▲ \$467.00

(1) Subject to a minimum charge of \$26.00 per bill of lading.

- C. Shipments must be properly loaded:

Shipper must request insulated container at the time of booking. When the shipper requests keep from freezing service, the shipment must be loaded in an insulated container in such a manner that sufficient air space is provided on the sides, top, bottom and ends of container to allow sufficient air circulation necessary to prevent freezing.

EFFECTIVE: November 1, 2023

For explanation of abbreviations and reference marks, see the last page of this tariff.

RULES**VOLUME COMMITMENT:**

The rates in this tariff are for high volume construction projects. The minimum volume commitment to qualify for this tariff is either 500 tons or 20 FEU (forty foot equivalent units) shipped in a consecutive six month period. In order to qualify for the rates in this tariff Shipper must first identify the named construction project and submit a written request for volume project rates along with a detailed list of shipments and designate the shipping period that will meet the time/volume requirement. When a qualifying project list and request is received, Carrier will verify that the projected volume will satisfy the criteria for project rates and send written notice to the Shipper that the volume rates will be made available for the project. All shipments must be clearly marked with the project name and project booking number on the inbound bill of lading or they will be rated under standard tariff rates. If shipments that were not properly marked for a designated project are later reconsigned to the project and rebilled at the project rates Shipper agrees to pay a reconsignment fee as detailed in STB AKMR 100A. If Shipper does not tender the minimum volume requirement during the designated six month period Carrier will rebill and Shipper agrees to pay for all shipments that were previously rated under the volume tariff and any subsequent shipments at standard tariff rates. Rates are subject to rate increases when published in 300 Series tariffs and are not eligible for credit card payment.

EFFECTIVE: January 29, 2023

For explanation of abbreviations and reference marks, see the last page of this tariff.
