Tips to reduce wait times for Hawaii cargo

- Have your booking number and a completed AML Bill of Lading (BOL) ready when you arrive.
- Shipments can be dropped off **as early as 2 weeks** prior to voyage departure date. We recommend dropping your shipment off early, if possible.
- Our busiest days are Monday – Wednesday, typically from 7 am to 1 pm. We suggest delivering your cargo on Thursdays and Fridays.

Important Reminders:

- At this time, we are only able to transport gas/diesel and non-plugin hybrid vehicles.
- AML offers transport of Full Container Loads (FCL) and Breakbulk (BB) shipment. *We do not accept Less Than Containerload (LCL) freight to Hawaii.
- All deliveries to our Seattle terminal now require an appointment. To schedule, please visit www.lynden.com/aml/appointment or contact our customer service team at (206) 892-2686 or bbreceiving@lynden.com.
- Prepayment is required to transport your vehicle, boat, trailer, or used household goods, unless you have established credit with AML. Please pay in advance or in-person when dropping off cargo.

Temperature-Controlled Cargo: We do not provide temperature-control services for cargo moving to Hawaii via barge.

** Depending on your LCL shipment, we may be able to refer you to another carrier. Please contact [customer service](#) for assistance.*
