Hawaii Annual Rate Adjustment Notification

Aloha Marine Lines has filed a rate adjustment with the Surface Transportation Board on shipments to and from Hawaii points as named in tariff STB AKMR 250, series. Rates will increase by \$200.00 per Westbound container and \$100.00 per Eastbound container. Breakbulk rates and some accessorial charges will also be adjusted. Terminal handling charges will be increased by \$100.00 per container Westbound and \$50.00 per container Eastbound for cargo to or from Oahu and \$200 per container Westbound and \$100.00 per container Eastbound for cargo to or from Neighbor Islands. This increase will become effective on January 11, 2026.

Trucking and other accessorial charges in STB AKMR tariff 100, series, will be adjusted on December 14, 2025. These increases are necessary in order to keep pace with rising costs, inflation and to continue to provide the consistent and reliable level of service that our customers rely on.

We appreciate your continued support as we endeavor to provide the greatest value of service in Hawaii transportation.

Sincerely,

Margretta Grace, Director of Pricing
