

Load Type Identification for Appointments

Shipper Loaded Container or Container “No Transfer”

We are shipping the entire container or platform including the contents.

Break Bulk, Vehicles, Trailers

We are shipping larger, bulkier items that will be loaded to platforms.

Common commodities include pipe, lumber, vehicles, boats, trailers, machinery, and oversize loads.

Warehouse Transfer or Less Than Truckload (LTL)

We are shipping standard pallet sized freight.

This includes the transfer of freight from dock height trailers and standard pallets from flatbeds.

If you have any questions or issues identifying your load type, please reach out to Customer Service at (800) 326-8346 or amlcs@lynden.com for additional guidance.

Please be advised that any misidentified load types will be subject to appointment rescheduling. Please confirm all load types when booking an appointment. Schedule an appointment by going to: <https://www.lynden.com/aml/appointment>
