Notice of Increase in Fuel Related Surcharge

Dear Valued Customer:

Aloha Marine Lines has filed with the Surface Transportation Board to revise the previously announced fuel related surcharge increase for shipments to and from Hawaii, adjusting the surcharge from 16.5% to 28.0%, effective April 5, 2026. This filing supersedes our earlier notice for this market and reflects continued escalation and volatility in fuel costs since our original filing.

We continue to monitor fuel prices on a daily basis and will adjust the fuel related surcharge when necessary.

We appreciate your business and your understanding with regard to fluctuating fuel costs.

Sincerely,

Margretta Grace, Director of Pricing
