Hawaii Voyage H6447 - Weather Update

Dear Valued Customer,

We want to provide an update on the delayed departure of Hawaii Voyage H6447 from Seattle. Based on the latest weather forecasts, the first anticipated suitable weather window for departure is currently Friday, November 20. While we continue to monitor conditions for an opportunity to depart sooner, current forecasts do not indicate a favorable window before that time.

AML is receiving hourly updates from our professional weather service and will continue to monitor conditions closely. We will provide further updates as the forecast develops and confirm the departure date as conditions become clearer.

We appreciate your continued patience and understanding as we prioritize the safety of our vessel, crew, and cargo. Please contact our customer service department or your sales representative with specific questions or concerns.

Sincerely,

AML
