

Limited Quantity (Ltd Qty.) shipments going to Alaska

If you are preparing a shipment going to Alaska with items described as Limited Quantity (Ltd Qty), Hazardous Materials regulations require it must be properly marked or labeled with the Limited Quantity marking as illustrated below, and must be properly described and declared as a hazardous material on the shipping papers according to the regulations for vessel transport.

ENDS 12/31/20

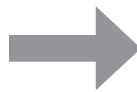

Hazmat shippers may ship ORM-D packages for highway transportation only until the year ends.

ORM-D Mark
and Proper Shipping Name
("Consumer Commodity")

Shipper/Receiver
Name and Address

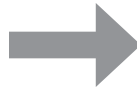

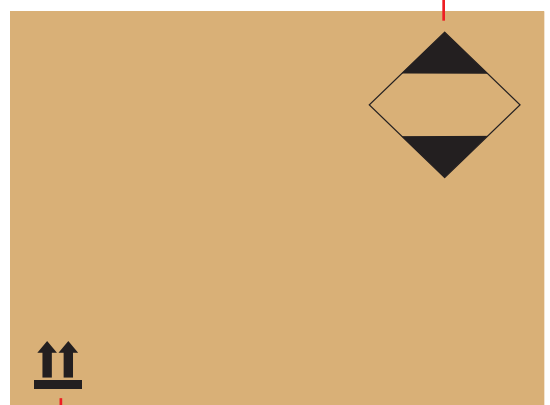

01/01/21 & AFTER
