Upcoming Schedule Changes

Dear Lynden Transport customer,

Beginning the week of December 5, 2022, TOTE Maritime Alaska will be removing one of their Orca Class Vessels from their sailing schedule for a planned period of LNG conversion upgrades. Additionally, the weeks around Christmas and New Year's will have adjusted sailing schedules.

The weeks from December 5, 2022, through February 6, 2023:

- TOTE will have single sailings departing Wednesday evenings each week. We will continue to move all LTL shipments on Friday on the Matson sailings. TL shipments sailing on Fridays during this period will be limited to those that can fit within a standard 40' x 96" wide Matson Container.
- Only TOTE has the ability to move 53' long and 102" wide semi-trailers and semi-trailer rolling equipment, so please plan your shipments accordingly to avoid delay. 53' long and 102" wide semi-trailers and semi-trailer rolling equipment will sail on TOTE's Wednesday sailings during this period.
- Matson will maintain sailings on both Wednesday and Friday during these weeks, with some exceptions around the holidays.

The week of December 19:

- QuickTrans will only depart Tuesday, December 20 this week. Note: *QuickTrans service will resume Tuesday, January 3.*
- There will be two ship sailings on Wednesday, December 21. Cargo cutoff will remain 5:00 pm Wednesday.
- There will be one ship sailing on Friday, December 23.

The week of December 26:
