

Customs Brokerage Services

Count on us to control, protect, and keep your shipments crossing borders.

Lynden Logistics is a full service U.S. Customs Broker facilitating thousands of customs entries each year. For more than 35 years, we have provided customs brokerage service in the United States, Canada, and globally through our international partner network. We also offer a full range of integrated logistics solutions including transportation, warehousing and distribution, and inventory management services.

Customs Brokerage Service Capabilities

- Formal and Informal customs entries
- Antidumping and Countervailing Duty (ADD/CVD) and Quota entries
- Temporary Import Bonds
- Remote Location Filing
- In-bond transactions
- Presentation of carnets
- Multiple duty payment options to Customs Border Patrol (CBP)
- Automated email notifications
- Scheduled and ad hoc reporting from NetChb or ACE
- Consulting and special project services

Why Lynden Logistics?

From USMCA compliance, duty/tax recovery and valuation, to specific product requirements, we have experts on staff who can guide clients through the complexities of the Customs process. We are happy to provide importers and exporters advice on a variety of regulatory issues to help ensure customers' compliance with U.S. trade laws.

- Multiple licensed brokers on staff
- Compliance-focused customer service
- Industry vertical experience
- Customs-Trade Partnership Against Terrorism (C-TPAT) certified
- United States-Mexico-Canada Agreement (USMCA) origin qualifications
- "One-stop shop" for all your logistics needs – brokerage, transportation, warehousing and distribution, inventory management, and more!
