NOTES:

1. Bulky and/or heavy shipments which start out on LTI may be delayed in transit at transfer point, see next dispatch date at transfer point for arrival/availability at destination.
2. All barge arrivals and departures are estimated times.
3. Freight from Central, which is transferred at Juneau, will move on first available dispatch.
4. Be aware of current shipping volumes when giving customers departure & arrival information.

Effective October 1, 2015
