

Serving Alaska via the Alcan Highway

Alcan Highway Service

Lynden Transport was the first trucking company to provide scheduled over-the-road freight service via the Alcan Highway to major Alaskan communities.

More than 60 years later, we are still providing this service to our customers and we've expanded our routes to include Texas, Oklahoma, Louisiana, Alberta and the surrounding oil patch. We carry Truckload (TL) shipments daily and Less-than-Truckload (LTL) shipments to Alaska on a scheduled basis.

Alaska via Alcan Highway

Through expedited motor carrier service via the Alcan Highway to all points in Alaska specializing in oil field commodities. Less than truckload or full truckload shipments accepted.

The Lynden Difference

- Serving Alaska since 1954 with an unsurpassed on-time record
- Largest Service Center network in Alaska providing complete state-wide coverage
- Choose from our multi-modal transportation options – land, sea or air
- Truckload (TL) and Less-than-Truckload (LTL) service for general commodities, oilfield, mining and construction materials

Features

- Computerized billing, tracing and expediting, electronic imaging and internet tracing available
- Comprehensive cargo insurance
